Our Greek and fusion dining experience represents our family's roots, a blend of Kent and Corfu.

Corfu, an island off Greece's northwest coast in the Ionian Sea, has a cultural heritage that reflects years spent under Venetian, French and British rule before it was united with Greece in 1864.

Mindful of our commitment to minimising environmental impact and to celebrate the island's history, our wines have been carefully selected to offer choices from England, France, Italy and of course Greece.

Cheers, Santé, Saluti.....YAMAS!
